PRELIMINARY AMENDMENT

S I R:

Prior to the issuance of an Office Action, please amend the specification and claims as follows:

IN THE CLAIMS:

Please amend the claims with the following:

3. (Amended) A method of synchronizing databases of a plurality of monitoring devices according to Claim 1, further comprising:

a sixth step of receiving, by the first monitoring device, a control request for controlling the communications device from an operator; wherein the first step, when the first monitoring device receives the control request from the operator, the first monitoring device transmits the control command with a network address of the first monitoring device to the communications device.

4. (Amended) A method of synchronizing databases of a plurality of monitoring devices according to Claims 1, wherein the registered data is physical data.
